

Sponsorship Opportunities

React Day Norway 2021

We are concerned about the safety of our attendees and speakers - React Day Norway is online in 2021. But, we are also concerned about sharing knowledge. This React community event on 6th June 2021 will push both knowledge and networking for everyone and to everyone.

1000 tickets are available for a paid access with live chat and swag sent to attendees. In addition this event will be accessible by everyone. By that, we do not mean the attendees only, we also mean live on ReactNorway.com and YouTube, so grab the chance to have your name reach thousands of participants, globally. Whether you are looking to have your name in the spotlight, or on the lookout for new talent, this is the right place to be.
